

# DESEGREGATE CONNECTICUT

## Outreach and Witness Ministry June Abundance Giving

As the housing crisis looms large in Connecticut, Outreach and Witness seeks relevant and justice-centered gifts from our members to assist impactful organizations. In June our abundance gift goes to Desegregate Connecticut, a program under the Regional Plan Association, which has worked for 100 years to improve the quality of life in the tri-state region.

Desegregate Connecticut, formed by Sarah Bronin in 2020, is a coalition of neighbors and non-profits advocating for equitable, sustainable, and affordable housing and land use policies. Their mission closely aligns with our environmental and racial justice ministries and our long-held commitment to addressing poverty.

A relationship with Desegregate Connecticut provides us with both an opportunity to offer financial support and a guide for future activism as we anticipate the housing crisis to be an important issue in upcoming legislative sessions.

If you would like to learn more, please visit: <https://www.desegregatect.org/>

As we worry about the struggles of those seeking affordable housing in this beautiful state, may our hearts be filled with gratitude for our homes and the community that welcomes us. Let us put our gratitude to work!

You may donate either online through the church website or by sending a check payable to RHCC with "Desegregate CT" in the memo field. Thank you for your donations!

Sincerely,

Valerie Triblets  
RHCC Outreach and Witness
